Find out about design plans for the proposed Interstate 95 Express Lanes Fredericksburg Extension. The project is proposed to extend the Express Lanes by 10 miles from just south of Garrisonville Road to US 17 in Stafford County. Two reversible Express Lanes would be built in the existing median of I-95. New access points to Express Lanes would be built near the US 17 and VA 630 (Courthouse Road) I-95 interchanges in Stafford and at Russell Road near Marine Corps Base Quantico in Prince William County.

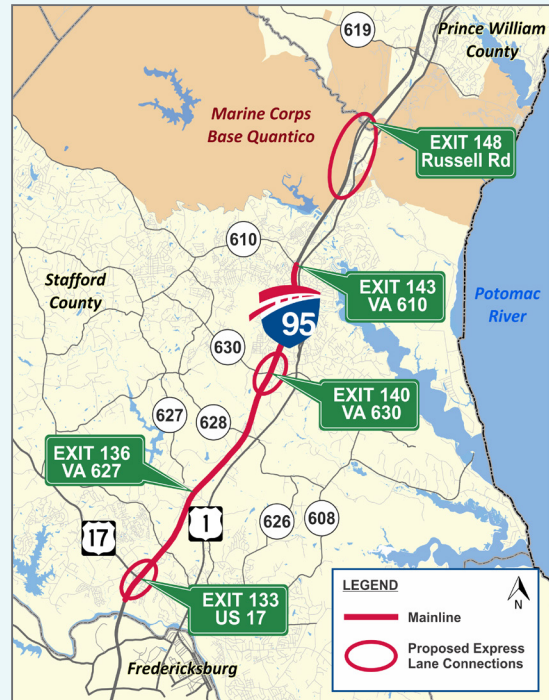

Stop by between 6-8 p.m. to review the proposed plans and the Revised Environmental Assessment (EA) prepared in accordance with the National Environmental Policy Act. Project plans are available for review at the District Office. The revised EA will be available beginning September 8, 2017 on the project website at www.VirginiaDOT.org and at VDOT's Fredericksburg District Office at 87 Deacon Road, Fredericksburg, VA 22405, in Stafford County. Please call 540-899-4288 ahead of your visit to ensure appropriate personnel are available to answer your questions.
